

Kingston Yacht Club Community Club Program 2010 Information

Community Club Program Information

Information

Enjoy quality sailing in the Kingston area without owning a boat. Community Club (CC) members have access to the Club's fleet of Shark sailboats. Routinely maintained and properly equipped, these boats offer the key to budget sailing in the Kingston area. Shark sailboats are 24 feet long. Known for their seaworthiness and versatility, Shark sailboats have crossed the Atlantic and Canadian sailors have wintered in the tropics aboard their Sharks.

Partaking of the Community Club Program is a separate privilege of Full Membership within the KYC. Beyond the annual fee for membership, those wishing to join the Community Club are assessed an additional annual contribution for the care and maintenance of the fleet. For the 2010 season, the Community Club fee is \$305 (GST Included).

The requirements for participation in the program are:

- Must have a valid Pleasure Craft Operators Card (PCOC)
- Must be or become a Full member of the KYC
- Demonstrate sailing ability;
- Complete an orientation sail with a KYC instructor to become familiar with the boat and for the instructor to evaluate the individual's ability.
- Obey the rules and procedures of the KYC Community Club (available on the KYC website)

To apply, complete the KYC Membership Application form (if you are not a member) and a Community Club Application form. Return them to the office along with payment. This is a very popular program and access may be limited.

Insurance

It is important to note that the Community Club Program boats are insured by KYC, however there is a deductible for any physical damage which may occur to these boats. In the event of serious damage for which the operator (skipper) is deemed to be at fault, the club may hold the operator (skipper) liable for the damages up to \$1,500.00.

Kingston Yacht Club Community Club Program 2010 Application
