

Hello KYC & Kingston area Youth Racing enthusiasts!

I wanted to pass some information on to you about an exciting new Ontario Sailing youth sailor development initiative called "Provincial Talent Squad" (PTS) !

More detail>>> https://www.ontariosailing.ca/news/news_1246.php

For a minimal registration fee to Ontario Sailing, the PTS program is a year-long initiative to provide provincial-level coaching resources towards youth athlete identification, preparation, training and development in Ontario.

The program will kick off in our region with a dry land introduction and training day right here **at KYC on March 30th from 1pm to 4pm**, and will continue throughout the year with other specific PTS resource sessions including special provincial coaching regatta debriefs and other support for PTS participants.

In conjunction with KYC's own youth race coaches, local youth sailor development is something that is greatly enhanced through closer links with Ontario Sailing's talented coaching staff, and the PTS program is a great new vehicle to make this happen!

To register for the PTS program, please use the following Ontario Sailing registration link:

https://www.ontariosailing.ca/application/index.php?action=osarc.regForm1&osarc_form_id=226

Please be sure to let me know if you have any questions or would like additional information.

Thanks,

Rob Frost
