

# Kingston Power and Sail Squadron

## Maritime Radio Refresher...

- Review radio calls and procedures
- Learn about Digital Selective Calling
- Gain an insight into the Global Maritime Distress and Safety System

**WHEN :** Monday, June 24th - at 7 pm  
**WHERE :** The Partridge Room, Kingston Yacht Club (1 Maitland Street)  
**COST :** There is no charge for attendance at this refresher session  
**OTHER :** There is no requirement to reserve a place, just come along

**Please note:** This session does not constitute formal training in the use of Maritime Radio. It is intended to re-acquaint current holders of the Restricted Operator's Certificate (Maritime) with correct usage and radio procedures. However, newcomers to maritime communications who wish to gain an understanding of marine radio are welcome to attend.
