

**The inaugural was so much fun...
Let's do it again!**

TGIF Sail II Friday, July 12th

In case you missed the first one, the goal here is to get non-boaters on the water for an enjoyable evening on the lake!

**Details will be finalized once numbers are known,
possibly a short race, perhaps just a social sail!**

**Interested in participating just email Glenn
at manager@kingstonyachtclub.ca and indicate whether you are
a boater or non-boater and from there we will get everyone
assigned to a boat. Sign up at the office or bar as well.**

**The evening will cap off with social time,
munchies, food special etc!**

**The KYC cottage in the city...
where great friends have great times!**
