

The Art of Picture Taking PHOTOART Workshop with Karen Dolan
KYC Women in Wind May 1st and 15th 2019

Hi everyone,
Looking forward to working with you and sharing the joy of photography.

Workshop will focus on composition, the art of picture taking and image selection. Participants will need digital cameras, cell phones or tablets to take photos. Karen will show examples of her photographs and share the way she sees the world through her viewfinder, give suggestions on composing shots and working with available light. Different ways to set digital cameras and phone and tablet cameras will be discussed. Participants will be shown easy ways to select and store images. Laptops are optional.
